Subject;- The Hubli Electricity Co Ltd.,

Sir,

We are interested in the Hubli Electricity Co Ltd.,

The Government revoked the Company's licence in about the year 1944 and since then they have been running the Electrical Works themselves and supplying power to the Hubli Town.

We understand that the Government are ready and willing to handover the Management of the works and the distribution of supply to any private agency which can efficiently manage the same. We have been doing various sorts of business since the last 30 years and we are sure, we have earned reputation and credit for efficient and honest management.

If the Government would handover the management as mentioned above, we would be very happy to take it up and serve the interests of the people of Hubli, in the best way possible.

We are interested in the Hubli Electricity Co Ltd., as shareholders also, and it would be possible for us to get ourselves appointed as Managing Agents of the Company.

On receipt of your reply we would revert.

Yours faithfully,
For.G.N.Madiman and Sons.
